- The points gained by each of the three handlers are added to form a team total.
- The winning team is the team with the lowest total of points.
- In the event of a tie, the team with the highest overall percentage of total points in each test will be declared the winner.

National Dog Show 2024: Obedience and Rally-O

Wednesday 4-7 September 2024, Manfeild Stadium, Feilding

Introducing Your Judges:

Sue Richardson

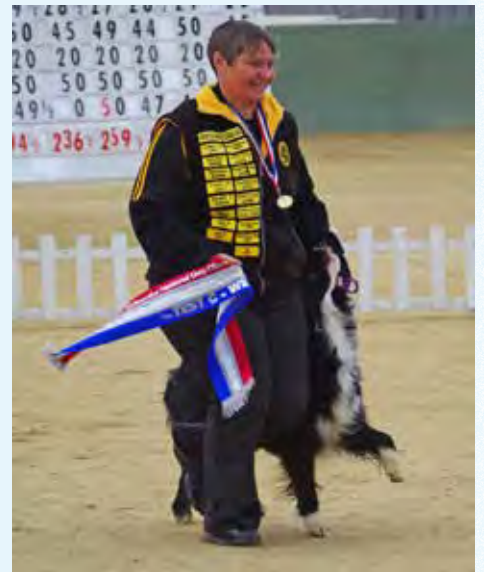

I'm thrilled to be judging at the Nationals Dog show.

It's fantastic that obedience is once again being included in full at the NDS.

I have been competing in working trials and Obedience for around 30 years now and have been judging for around 20 years.

Good luck to everyone competing and remember you always take the best dog home with you, with or without a ribbon they're still your best friend.

Have fun everyone.

Fiona Scott

Tēnā koutou katoa,

I am very pleased to have the opportunity to judge Rally-O at this year's National Dog Show here in Feilding. Thank you for the invitation.

I have been involved in Rally-O since its beginnings in the South Island. I compete, judge, show manage and hopefully assist and help others. I love the fact that Rally-O offers everyone a chance to have a go at a fun and entertaining sport where teamwork is key, reading and concentration helps and a sense of humour is essential!

It has been so enjoyable watching more people get involved in Rally-O over the years, from people new to the dog world to people wanting to do something different with retired working dogs. Rally-O offers such variety to everyone - whether you are wishing to compete at the highest levels or to do something with the family pet on weekends.

I have two golden retrievers who both love their Rally-O. My older boy has just gained his Rally-O Champion title and is now working towards his Grand Champion title. The two-year-old is just getting started but he shows potential when he has the focus!

Wishing everyone best of luck competing this weekend but, more importantly, wishing you a weekend of fun with your dogs.

Bernadette Thompson

It is an honour and a privilege to be invited to judge at this premier event, and wonderful to see our National Dog Show back to full strength since our years of Covid.

My involvement in the dog world began in the 1970's and over the years I have been active in all the dog training codes, with reasonable success in most. Competing, judging, training my dogs, and being involved in the running of clubs have been some of the highlights of my life. The friendships and camaraderie developed through dog sport are second to none.

At present I am competing in obedience with my young Border Collie, Jack, who is coming along quite nicely in Test B. Bonnie, my old, retired agility dog, is loving scent work in her old age and is proving that you can teach an old dog new tricks.

Currently, I am vice-president of the Mid Canterbury Dog Training Club and chairperson for Southern Region Dog Training and this year's NDTA committee. Having recently retired, I feel that now is the time to help out with the administration side of things and hopefully to grow our sport so as many people as possible can continue to enjoy it.

Good luck to everyone competing at this year's National Dog Show.
